ROB ROOZEBOOM

Be prepared to walk away utterly inspired from this year’s Central Plains Dairy Expo (CPDE) Prayer Breakfast as Rob Roozeboom – a Jesus-follower, husband, dad, evangelist, speaker, podcaster and author – shares his broken – still chosen – journey. He strives to inspire people to find hope and worth amidst brokenness. As a young child, Roozeboom dreamt of becoming an athlete and farmer. A muscular dystrophy diagnosis at age 5 crushed those dreams. Feeling painfully different and forgotten, Roozeboom questioned his very existence and wrestled with God about his future. God had bigger dreams for Roozeboom.

“Join us at the Central Plains Dairy Expo Prayer Breakfast to hear Rob Roozeboom’s powerful journey of faith, resilience, and hope—proof that even in brokenness, God’s dreams are greater than our own.”

Start your day with inspiration at the Central Plains Dairy Expo Prayer Breakfast, featuring Rob Roozeboom’s powerful story of faith and resilience, alongside Ellie Waring’s uplifting musical talents. Together, they will inspire hope and lift your spirit through storytelling and music.

The CPDE Prayer Breakfast is free to dairy producers, but registration is required. Register before March 25 to avoid long lines and significant wait times.
